Hi Robert,

We can have our Bike Team pass them out throughout the District. I can also bring them with me to all the community events and business meetings I attend.

Are you able to send a few hundred flyers to my office?

Thank you,

Hi Mike!

Hope you're doing well and staying cool.

Our office has produced a bunch of these brochures to educate small business owners about homelessness. We know there's been a lot of concerns and frustrations over what to do when a homeless individual interacts with a business.

The idea is to hand them out to business owners in the Ktown area. I'm trying to find a way to do this in the most efficient way possible.

Do you have any ideas how we can partner w/ WCBID to distribute these?

We have ones in English & Korean, as well as English & Spanish.

Example attached below. Would love to hear your thoughts!
Thanks.
